Day 1
We depart by private executive coach from our designated pick up points. En route to our hotel we visit Wentworth Woodhouse in South Yorkshire, one of the grandest stately homes in the country. During our guided tour we discover the formal staterooms including the Marble Salon, Whistlejacket and the Painted Drawing Room. The tour encompasses the rise and fall of the house from its beginnings in the 1600s to its time as a family home and teacher training college, right through to the present day and the work of the Wentworth Woodhouse Preservation Trust. Time is then at leisure to explore the gardens, home to a wildflower meadow, ancient trees, shaded woodland copses and 18th Century follies. We continue to the 4* Thorpe Park Hotel & Spa, on the outskirts of Garforth for a four night stay on a half board basis.

Day 2
Our Blue Badge guide meets us at our hotel this morning and accompanies us throughout the day. Our guided walking tour of York takes in sights such as the City Walls, the Shambles, and includes a visit to the Minster, the largest Gothic cathedral in northern Europe. We then spend some time at leisure in York, and on an individual basis you may choose to visit the National Railway Museum, or visit York Castle Museum with its recreated Victorian street, Kirkgate. Later this afternoon we enjoy an included cruise on the River Ouse, to see the city from a different perspective.

Day 3
Our Blue Badge guide accompanies us on a visit to Whitby, a resort dominated by the cliff top ruins of a beautiful 13th century abbey and with old cobbled streets, picturesque houses and a sandy beach. This afternoon we enjoy an included one way nostalgic steam train journey from Whitby to Pickering through the picturesque North Yorkshire Moors. Preserved in 1967, the North Yorkshire Moors Railway has gone from strength to strength and has featured on television and film, including 'Harry Potter'.

Day 4
A guided walking tour of Harrogate this morning takes in sights such as the Royal Hall and Montpellier Gardens. We continue with our Blue Badge guide to the National Trust's Fountains Abbey and Studley Royal Water Garden, which has been attracting visitors since the 18th century. Together the Cistercian abbey, Georgian water garden, medieval deer park, Elizabethan hall and Victorian church offer an unparalleled opportunity to appreciate the range of England's heritage at this World Heritage Site.

Day 5
After checking out of our hotel and en route home we visit the National Trust's Belton House near Grantham. A crowning achievement of Restoration country house architecture, Belton contains important collections of paintings, furniture, tapestries and silver. Taking carefully selected comfort stops en route, we return back to our original pick up points.

NB:- Please note we reserve the right to alter the above itinerary if required for operational reasons. Given the historic nature of the places visited, a certain degree of walking will be involved, and this holiday may not be suitable for those with mobility problems.
